January 12, 2021

Dear Perry Central Families:

Due to continued community spread of COVID-19, Perry Central will remain in hybrid status through January 29, 2021. We will continue to provide the same services as we have during the past month (childcare for those already signed up, after-school programs, evening transportation, food delivery). We will not be able to accept additional children for childcare, but if your children are already enrolled and attending childcare, they may continue to do so.

Students who elected a fully virtual schedule are invited to return in-person 2 days a week starting next week (January 19-22). If your student is switching from fully online to hybrid, please contact the office to let us know. Students who are not completing work as expected through the virtual format are *strongly encouraged* to return to in-person instruction 2 days per week in our hybrid format.

Another point of clarification is that unless we have a snow day between now and then, there will be NO SCHOOL on Monday, January 18th as it is a scheduled make-up day.

If you have questions about signing up for food pick-up, transportation, or anything else COVID-related, please visit our website at www.pccs.k12.in.us and follow the Quick Links to COVID-19 information. You are always welcome to call or email us as well.

I wish you and your family well. Stay healthy!

Kind regards,

A handwritten signature in blue ink that reads 'Tara Bishop'.
