BRINGING VACCINES TO YOU.

We accept and bill all insurance (commercial, Medicare, Medicaid). **There is no cost to those without insurance.** If your insurance does not cover the vaccine or requires a copay, the coalition will absorb that cost.

Children who participate in the clinic **will be vaccinated with all CDC recommended vaccines.** We will consult the state immunization registry to assess the immunization needs of each child. **If you would like to refuse a specific vaccine, please contact the Indiana Immunization Coalition at least 48 hours prior to the event: clinic@vaccinateindiana.org or call 317-628-7116.**

We will not initiate the COVID-19 vaccine series without explicit parental request, but we will complete the COVID-19 vaccine series if it has already been started.
